*The Bureau of Labor Statistics projects that by 2020 there will be 1.4 million IT job openings but only 400,000 computer science graduates with the necessary skills to fill them.*

***CYBERSECURITY PROFESSIONALS ARE  
NEEDED NATIONWIDE.***

*Join us in building the cybersecurity pipeline by sponsoring the  
National Cybersecurity Student Association.*

---

**The National Cybersecurity Student Association is a one-stop-shop to enhance the educational and professional development of cybersecurity students through activities, networking and collaboration. This group supports the cybersecurity educational programs of academic institutions, inspires career awareness and encourages creative efforts to increase the number of graduates in the field.**
