HOW DO I BREAK INTO THIS FIELD?

Certs, education, experience – employers seemingly want the perfect candidate for even entry level jobs...what can set me apart from the competition?

2

YOU'RE IN, NOW WHAT?

Now that you've entered our crazy, unpredictable world of cybersecurity, how can you keep your sanity AND add value?

3

HOW CAN I ASCEND UP THE PROVERBIAL CAREER LADDER?

What obstacles and challenges should you plan for and how can you overcome them?

4

CONGRATS! YOU'RE A MANAGER NOW!

You now have the power to hire and fire people. With power comes great responsibility.

Disconnect Between Hiring Managers Expectations and Millennial Priorities

- Communication & analytical skills are top priorities for hiring managers, low priorities for young workers.
